

What do I know today about my business that I didn't know last week?

What do I know today about my business that I didn't know last month?

What do I know today about my business that I didn't know last year?

How have I grown as a business owner recently?

What have I learned recently about myself and my business?

What do I have to be PROUD of right now? (Yes, there are LOTS of things!)
